

## Bloemfontein Primary School: Sports Premium Funding 2021-22

**The allocation for Bloemfontein this year is £17,470**

<b>Allocation</b>	<b>Personnel &amp; Completion</b>	<b>Resources / Costs INSET</b>	<b>Impact/Review</b>
HLTA with sporting responsibilities to deliver CPD to all staff so they develop their subject knowledge and confidence in delivering P.E sessions (during Summer term 2022)	LL KG	£200 (hire of sporting venue for staff training)	Staff have increased subject knowledge and confidence in teaching P.E lessons. Staff are able to lead more clubs and take control of small movement interventions.  Children competency in PE and sport improved throughout the year and girls sport became a thriving addition to school life.
Transportation to competitive competitions and additional sports venues	LL KG	Cost of bus - £120 per trip X 20 events  £2400	Children from the school were able to access sporting trips and events further afield to develop and show case their skills.
Purchase of new school kit for teams when representing the school	LL	£600	When representing the school children were

	KG		able, especially girls, were able to feel comfortable in their appearance. In addition, this instilled a sense of pride and a uniformed look when children from the school were amongst other schools.
Further increase levels of activity during playtimes/lunchtimes through additional play equipment and training for lunchtime staff/play leaders on facilitating playtime activities.	LL KG Lunchtime staff	<p>Climbing Wall £4000 (allocated from sports premium and additional funding through school fund)</p> <p>Table tennis £188</p> <p>Additional equipment £550</p> <p>Cost of lunchtime training £147.60</p>	<p>Newer playground equipment and training for lunchtime supervisors allowed children to achieve the CMO's guidelines of 30 active minutes per day.</p> <p>Children took part in the daily mile and experienced new and different games throughout the year.</p> <p>Increased activity throughout the year, lead to happy, healthy and more well behaved children in school.</p>
Service Level Agreement (SLA) for a shared sports programme across Stanley Learning Partnership and local cluster schools	LL KG SLP staff	£1850	<p>Increased participation in competitive sports and non-competitive festivals.</p> <p>Children got to compete and work with children from other schools in the local area.</p> <p>Children experienced different sports including, volleyball, handball, archery, fencing and more.</p>

			Increased CPD for the PE lead with termly cluster update meetings.
All pupils to experience sporting/healthy living workshops in school	LL KG JH	£2000 (Workshops to include yoga, skipping, hula hoops) Spring and Summer term 2022	We did a health week within school which allowed external providers such as skipping and Hoopstarz to do workshops with the children. This was great to target the least active in school and we were able to increase their activity levels.  As part of the health week, we explored various diets and the importance of eating healthy consistently.
Residential outdoor experiences (Summer term 2021) Supplement outdoor experiences including residential offering climbing, water sports, hill walking and gorge walking (Year 4, 5 and 6) Camping residential on the school grounds offered to all Key Stage 2 pupils. Key Stage 1 pupils to have the camping experience without the overnight stay	LL SD	£2000 (In order to ensure all pupils are able to attend – subsidise)  £500 To provide further camping equipment in school  Total - £2500	All children Year 3 and upwards have the opportunity to attend a Summer 2021 residential with no barriers.  Key Stage 1 pupils to have the camping experience without the overnight stay in order to develop confidence/independence ready for KS2 opportunities.  Having access to travel and experience residential across the school helped children grow their confidence and independence.
School have identified that significantly fewer pupils are able to ride a bike by the end of Key Stage 2.	LL RS SD	Balance bikes: £25 each x 12= £300	Pupils in Early Years increased their confidence and control in riding a balance bike.

School to purchase balance bikes for early intervention.		Helmets: £20 each x 12= £240  Total £540	Using bike-ability schemes we were able to encourage more cycling across the school whilst improving the active travel to and from school.
Sensory circuits to be established	LL NT LC	£2000 (equipment, training and interventions)	Pupils developed gross motor skills and an improved on their readiness to learn  Staff have gained confidence and experience in delivering sensory activities and providing opportunities for movement/self-regulation.
Forest school sessions delivered throughout the school on a rota basis	LL SD LC	£500 (forest school equipment and resources)	All pupils fully participated in forest school activities – 100% inclusion in all sessions  Pupils demonstrated an understanding of how to be active and healthy e.g. growing own food.  Pupils worked together as a team to complete forest school related tasks.

**TOTAL SPENDING:    £17, 475.60**
